Getting Started

SERFF is the most cost-effective and efficient way to submit rate and form filings to the states and jurisdictions. Skeptical? [Download the Cost-Benefit Model](#), input your company data and see for yourself!

Outside of training or the tutorial and the possibility of using a data hoster, you will only need an Internet Browser and Adobe Acrobat or a PDF producer to submit filings with SERFF. There are no licensing fees to use SERFF.

To start the licensing process, complete the applicable electronic forms located on the License Agreements page and send to serffmktg@naic.org. Once the SERFF team receives your completed paperwork, we will contact you to begin the next steps.

In addition to the implementation paperwork, new licensees will need to answer the following questions:

1. **How will you pay for your SERFF transaction fees? Pay as You Go _____ Filing Block _____**

While there isn't a licensing fee to use SERFF, there is a per-filing transaction fee. Paying for your SERFF transactions is simple. You have the option of "Pay As You Go" or purchasing a block of filings.

[Click here for the SERFF Pricing Structure](#). Please indicate which pricing model is right for you.

2. **Will you attend the SERFF training or the SERFF Tutorial? Training _____ Tutorial _____**

Date: _____

We require that new licensees attend either the NAIC Training class or the SERFF tutorial. To learn more about the training, [click here](#) To see a list of upcoming tutorial dates, please [click here](#). Please let us know which one you will attend.

Please note that we cannot implement a new licensee until the licensee attends the training or tutorial.

3. **Will you work with a Data Hoster? Yes _____ No _____**

We partner with two data hosters. [Click here](#) to learn more.

If you would like to take advantage of the data hoster services, please let us know.

4. **Will you need to pay your state filing fees electronically using Electronic Funds Transfer (EFT)?**

Yes _____ No _____

Companies have the option to use EFT for payment of state filing fees. [Click here](#) for more details.

Nearly half of all states have mandated that state filing fees must be paid via SERFF EFT. What that means is, if you do business in these states and pay a filing fee, **you will be required to license to use EFT via SERFF to pay your state filing fees.**

5. **Please provide the name, title and email address of an officer of your company that can accept binding contracts for our electronic license agreement process.**
